## DENSO DEMONSTRATES STEM-TASTIC FUN

Henry the DENSO robot made his community debut at the Lake Center Elementary STEM Night in Portage at the end of November. DENSO volunteers helped highlight careers in manufacturing and engineering to students and their parents during the annual event. While Henry the DENSO robot challenged students to a game of Connect Four, human volunteers showed off programmable logic control game built by Jason Caster and others on the skilled trades team. This was a great chance to showcase DENSO in West Michigan. Thank you so much to everyone who made this event a success! ◀

## MERRIMENT IN MONTGOMERY

Our fellow DMMI associates in Montgomery, Alabama were treated to a holiday luncheon on December 7. Associates enjoyed a meal and friendly conversation on the Auburn versus Alabama football rivalry. Special entertainment was provided by DENSO Quality Engineer Terry Barr. Happy Holidays to our Alabama Team! ◀

## CONGRATULATIONS DENSO LEADERS

Congratulations to the 21st group of DENSO leaders that completed our Regional Management Development Program. Participants were:

- Vicki Mosley (ASMI Supervisor, Production)
- Stacey Chan (DMCN Team Leader, QC)

- Lee Ann Moulton (DMCN Trainer, Training Center)
- Robert Mousley (DMCN Section Leader, HVAC Assembly)

- Chris Buchanan (DMMI Team Leader, Production 2B)
- Russ Cox (DMMI Senior Team Leader, Supply Crib)
- Matt Eishen (DMMI Senior Team Leader, Production 3B)

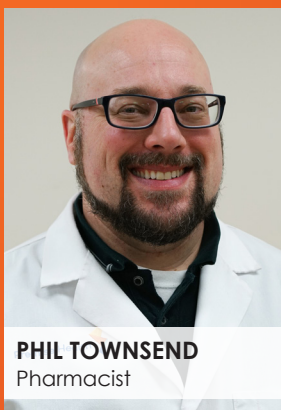

- David Morales (DMMI Subleader, Facilities)
- Shayne Newton (DMMI Subleader, Maintenance)
- Mark Olding (DMMI Team Leader, Production 2B)
- Ryan Rader (DMMI Senior Process Engineer, Engineering)

- Christine Smead (DMMI Team Leader, GIC Condenser)
- Jamie Strohm (DMMI Section Leader, Production 5)
- Randy Wallace (DMMI Team Leader, Prod. 1) ◀

## Meet the DENSO Family Pharmacy Staff

### What is your area of expertise?

Pharmacy, and since being here, I have gained skills including immunizations, health testing and increased diabetes education.

**PHIL TOWNSEND**  
Pharmacist

### If I'm a patient at the Health Center, when would I see you?

In the pharmacy, filling prescriptions, counseling on medication or giving immunizations.

### Outside of work, what do you love doing?

Playing games (board, card, and computer) with friends and family and Halloween related things.

### If I'm a patient at the Health Center, when would I see you?

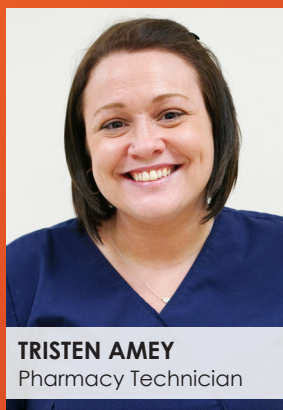

When getting prescriptions filled or buying over-the-counter products.

### Outside of work, what do you love doing?

Hanging out with my daughter, Jordan, and playing with my dog Remi.

### Why did you choose to work at the DENSO Family Health Center?

I wanted to work in a more personalized health-care setting to be part of a close community.

**TRISTEN AMEY**  
Pharmacy Technician

### If I'm a patient at the Health Center, when would I see you?

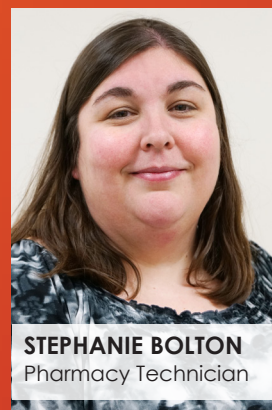

When you stop by the pharmacy to fill prescriptions or just say hi!

### Outside of work, what do you love doing?

Playing with my son and going to college football games.

### Why did you choose to work at the DENSO Family Health Center?

After leaving the local hospital, I wanted to work in a smaller, more family-like setting.

**STEPHANIE BOLTON**  
Pharmacy Technician

**I want to use the DENSO Family Pharmacy, what do I need to do?** When you need a prescription filled, tell your doctor that you use the DENSO Family Pharmacy or simply stop by for their over-the-counter deals. Contact the Pharmacy at 269-963-5991.
