

DENSO Talks Mobile Security at SAE 2014 Convergence

OCT 17 | 2014

Global automotive supplier DENSO is joining technology leaders worldwide at the SAE 2014 Convergence, to address evolving electronics technology.

SOUTHFIELD, Mich. – Global automotive supplier DENSO is joining technology leaders worldwide at the [SAE 2014 Convergence](#), to address evolving electronics technology. SAE Convergence is held Oct. 21-22, 2014 at COBO Center in Detroit, Michigan.

Panel Session: [A Secure Personal Mobility Experience](#)

Roger Berg, vice president of North America Research and Development at DENSO International America, Inc. (DIAM), is participating in a panel discussion on Tuesday, Oct. 21 at 2:00 p.m. in Grand Ballroom B, located on Level 2. The focus will be on automotive systems becoming more-interconnected and how critical it is for safety and cyber-security to be assured.

SAE Convergence Sponsor

DENSO also is the SAE 2014 Convergence lanyard sponsor.

Earlier this year, DENSO expanded its Silicon Valley, California office to further support advanced research and development activities in multiple areas of technological innovation, such as mobile security. As part of its substantial innovation efforts, DENSO created a dedicated team in the Silicon Valley office that will aggressively pursue investments into entrepreneurs and startup companies; Berg helps lead these activities in Silicon Valley.

About DENSO Corporation:

DENSO Corporation, headquartered in Kariya, Aichi prefecture, Japan, is a leading global automotive supplier of advanced technology, systems and components in the areas of thermal, powertrain control, electronics and information and safety.
