

National Manufacturing Day Profile

DENSO Manufacturing Michigan

Name – Haley Prater

Title – Team Leader, HVAC 1

Responsibilities – Lead a team of 26 people to build high-quality HVAC systems with safety and quality first. That includes balancing manpower, conducting quality and safety audits and communicating with other departments and members of management.

Length of time with DENSO – 3 years

Quote – “I’ve had the opportunity to move up from temporary employee to Team Leader. I love that even though we face a lot of obstacles we come together and work as one team. I’m thankful for the opportunities I’ve had to work with others to see their perspectives on coaching and development. It has helped me to become a stronger leader.”

DENSO Manufacturing Michigan, Inc. (DMMI) is the lead production facility for DENSO’s Thermal Systems North American Center (TAC), focusing on the manufacture of automotive air conditioning and engine cooling components and systems.
