Michael Beuerlein

Sr. Manager, Corporate Quality
DENSO International America, Inc.

Michael Beuerlein is the senior manager of Corporate Quality for North America Honda business at DENSO International America, Inc. He is responsible for strategic quality improvement planning, new model development and warranty management.

Beuerlein joined DENSO in 1995 as manager of Quality Assurance for DENSO's starter/alternator operations in Tennessee. In this role, he was responsible for all product development verification and product liability.

Prior to joining DENSO, Beuerlein worked in various Quality Engineering and Quality Assurance roles. Beuerlein earned a Bachelor of Science degree in Mechanical Engineering from Ohio State University in Columbus, Ohio, in 1986.

Beuerlein is an active member of the Automotive Industry Action Group (AIAG) Quality Steering Committee. He has also been a chair on the Honda Supplier Quality Development Consortium Steering Committee since 2010. In addition, he represents the DENSO Foundation on the Ohio State University Center of Automotive Research and Intelligent Technology External Advisory Board.
