Actively Improving Safety

From a short drive to the corner store, to a trip across the country, DENSO's active safety system technologies help give you **PEACE OF MIND** every time you're behind the wheel.

DENSO's Active Safety technology can help:

- ☑ Prevent accidents
- ☑ Eliminate blind spots
- ☑ Assist with operations that are difficult for different drivers
- ☑ Minimize damage if a collision is unavoidable

► Did you know?

Active safety technologies will help pave the road to autonomous driving in the future.

Protecting lives, preserving the planet and preparing a bright future for generations to come.
