# ADVANCED ROBOTIC TECHNOLOGY

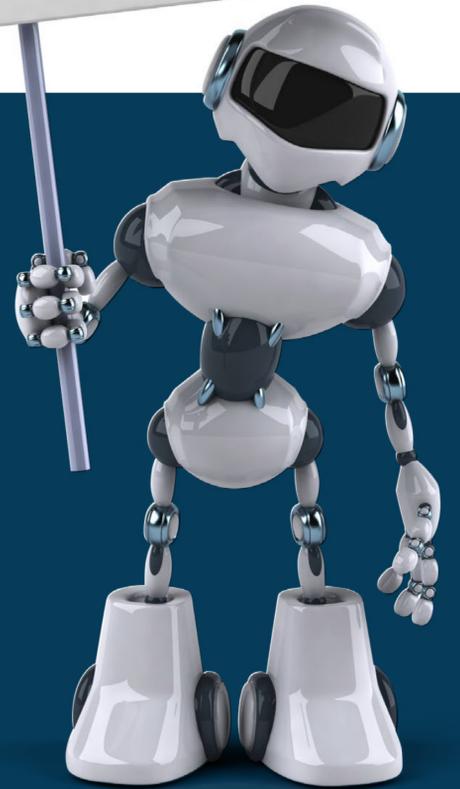

Since the 1960s,  
**DENSO** has designed,  
engineered and built  
its own robots.

And, about  
**77,000 DENSO robots**  
are used by OTHER  
companies worldwide.

Pretty cool, huh?

Did you know...

DENSO makes  
**Robots?**

Now, we use  
**more than 17,000**  
of our own robots  
at DENSO manufacturing facilities  
across the globe.
